President's Message

First of all, I want to thank the members of our Community for your support. Our first meeting of the year was the highest attended meeting that we have had in a decade. Thank you all for your support. It takes an army to make this work. Thank you to my fellow Board members and thank you to the Community for caring. What happens in our Community is important and it is great to be a part of this great Community.

Throughout the years, I have heard the complaints about the City of Yes and the bike lanes and other actions taken or not taken by the elected officials. On November 5th we all have the opportunity to exercise one of the greatest rights that we have in this Country, the right to vote. Often times I speak with people who complain about the City or the Nation and I learn that the person who is complaining did not vote. The rationale is usually that it does not matter. Every vote matters.

Please take the time to cast your vote. Do your research and cast your vote for the candidates who most fit your needs. Do not vote blindly because someone tells you to vote a certain way. Vote for the people who will best serve the interests of you, your family and your community. The right to vote is an alienable right and it is the foundation of a true Democracy.

Our Fall Festival is October 19th at the Lott house from 12 noon to 3:00 PM. The MPCA Board and volunteers work very hard to put together a day of fun and family. We look forward to your attendance. It is a great day to bring the community together and to meet some of your neighbors.

Lastly, in the next month we will find out if our efforts with respect to the City of Yes will be successful. The vote for City of Yes is on October 22nd. Fingers crossed that our voices will be heard.

Thank you and stay safe.

Stay safe and be strong.

Rob Mazzuchin
President, MPCA

Our Neighborhood – Feeling Fall

As Fall is upon us there's good news on Marine Park's New Loops project. The walking/riding paths are substantially done, and the circle is complete! I had a chance to see for myself and the park looks great. Walking the outer circle I called an old friend who works for City Council Member Narciss and commented on the timely completion of the work. He appreciated the call, said it was nice to get positive feedback.

Then a few days later I received this statement in an email;

"Once the oval is finished, the Parks Department will begin work on the playground renovation. While these improvements are essential for our community, I understand how important it is for our children to have access to these spaces during the warmer months. That's why I'll be pushing Parks to complete the playground work as quickly as possible, so our kids can enjoy their time outdoors without interruption. I appreciate your patience and am committed to ensuring this project stays on track," Council Member Mercedes Narcisse.

Playground Renovation starting soon is more good news.

Speaking of good news for our youngsters, planning for the MPCA Fall Festival has started!

As usual there will be hundreds of pumpkins ready for the picking. Each autumn, walking around the neighborhood looking at all the nicely decorated homes, I wonder how many pumpkins come from the Fall Festival Pumpkin Patch. So come join us, take one home and make a jack o lantern or use it as a simple Fall decoration.

So many fun activities for the whole family. And there may be one or two new attractions this year. So come by the Lott House on 36th street on October 19th and join us.

Don't be afraid to dress up in your scariest Halloween costume.

The loops are loops again, new playground renovations are about to kick off, and the Fall Festival bringing together friends and neighbors for a nice day. This autumn has gotten off to a very nice start.

Looking forward to November and the colorful foliage, I'd like to acknowledge an event that may be my favorite Marine Park tradition. On November 10 our community will once again come together to honor neighborhood Military Veterans for their service in a ceremony in front of the Carmine Carro Senior Center. Hope to see you all there.
